

Vaggelis Alexandris was the lecturer in the monthly meeting of the GBCA members in Salonica, which took place on the 11th of May in the Association's bureau in Mikra.

The meeting began with coach Rodopoulos informing the member about the upcoming clinics, like the one in Trikala.

Coach Alexandris in his lecture talked about the offensive organization of the team. He mentioned the tactics and the philosophy that he has followed in the teams he was worked and how all that evolved through time and experience.

The next meeting will be held on the 22th of June.
