

After the successful clinic in Hrakleion the GBCA will carry on its educational effort by holding another local clinic, this time in Chalkidiki on the 24th and the 25th of April.

Tsibis will be the first lecturer (24/5 on 16.30). He will talk about "the methodology of shooting and the Jump shot". Then (18.30) Nikos Toufas will take the stand in order to analyze "drills for the fundamentals". Coaches Flevarakis will make the last lecturer of the day (19.30) with "defensive plays of three players".
